**RESPONSE TO NOTICE OF NON-COMPLIANT APPEAL BRIEF**

Sir:

In response to the Notice mailed on November 30, 2006, reconsideration is requested. It is stated that each independent claim limitation must be referenced, referencing the pages and lines of the instant specification where the subject matter is discussed. It is stated that the applicant has referenced a figure in the summary that is not claimed subject matter. However, the summary sets forth the claim and cites the specification at page 7, lines 9-11. Each element of the claim is set forth there. It is not seen how the incorporation of a figure could make the summary somehow defective.

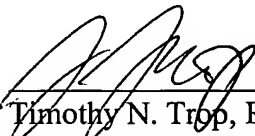

Date of Deposit: December 20, 2006  
I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as **first class mail** with sufficient postage on the date indicated above and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

  
Nancy Meshkoff

Therefore, reconsideration is requested.

Respectfully submitted,

Date: December 20, 2006
